

Personnel RHIC Spin Group, March, 2006

Gerry Bunce – Group Leader, RHIC Spin Group; Deputy Group Leader, RBRC Experiment Group (resident Group Leader); Spokesman, RHIC Spin Collaboration (RSC wrote spin proposals for STAR and PHENIX, umbrella group to promote and coordinate program); Chair, Research Plan for Spin Physics at RHIC (2005); polarimetry; PHENIX. bunce@bnl.gov

Les Bland – Leader for STAR spin in RHIC Spin Group; PI for Forward Pion Detector, FPD++ (2006), Forward Meson Spectrometer (2007); co-chair, STAR Spin Physics Group 1999-2004; developed case for Endcap Calorimeter at IU. bland@bnl.gov

Sandro Bravar – Leader of RHIC polarimetry including design and development of pC and pp polarimeters; built AGS pC polarimeter; advisor for COMPASS at CERN. bravar@bnl.gov

Akio Ogawa – STAR, co-chair STAR Spin Physics Group 2004-present; FPD, FPD++, FMS; organizer of RSC 2003-2005; Belle polarized quark fragmentation analysis (RBRC collab.) akio@bnl.gov

Sasha Bazilevsky – PHENIX, calorimeter calibration, software, analysis; leads A_{LL} analysis group; $\sigma(\pi^0)$, E_T analysis; organizer of RSC 2005-present. shura@bnl.gov

Ron Gill – Polarimetry; Physics Safety Officer rongill@bnl.gov

M. Echmalian – Secretary echmalian@bnl.gov
